

FOR IMMEDIATE RELEASE

June 7, 2010

## **CAMI MUSIC LLC EXPANDING TO INCLUDE NEW MANAGEMENT AND BOOKING TEAM**

NEW YORK, NY (June 7, 2010) - CAMI Music LLC is expanding to include new areas of music management and a dedicated booking team. As part of the expansion, we are excited to announce that Tobias Tumarkin will be joining CAMI Music.

Toby comes to CAMI Music following an extensive and successful tenure with Columbia Artists Management during which time he served as both the East Coast and West Coast Booking Representative before becoming the National Sales Director. Since starting his own management office in 2005, his roster has grown to include award-winning artists from around the world including Natalie MacMaster, Leahy, Mariza, Chucho Valdés, Buika and Cherryholmes among many others. Joining Toby in the expansion is production and management associate Anna Berk, who brings with her a wealth of experience and industry knowledge.

Additionally, we are pleased to announce the creation of the CAMI Music Booking Department. Betsey Perlmutter, who has been working with Toby Tumarkin for the past booking season, will join the team as our Eastern Territory Representative. Alex Rabens, coming to us from William Morris Endeavor Entertainment, will join as the Western Territory Representative. Senior Booking Representative and Vice President Pamela McKean will represent the CAMI Music roster in the North Eastern Territory while continuing her work with Columbia Artists Management. We are thrilled to have this talented collection of agents working with our growing roster of artists.
